- ☐ daily trimming of the hoofs (hoof pick)
- ☐ the application of hoof oil to the sole

# QUESTIONS for license

## Endurance questions

1. Endurance riding is a Competition to test:
  - ☐ the Athlete's ability to safely manage the stamina and fitness of the Horse over an endurance course in a Competition against the track, the distance, the climate, the terrain and the clock
  - ☐ the Athlete's ability to manage the stamina of the Horse over an endurance course against the clock
  - ☐ the Athlete's ability to manage the speed of the Horse over an endurance course against the distance
  
2. In an Endurance Competition can compete:
  - ☐ only Horses
  - ☐ horses and mules
  - ☐ any member of the Genus Equus
  
3. An Endurance Competition consists of a number of phases of which:
  - ☐ no phase may exceed 20 km
  - ☐ no phase may exceed 40 km
  - ☐ no phase may exceed 60 km
  
4. Horses competing in category CEN 1\* (100-119 km) must be:
  - ☐ at least 4 years old
  - ☐ at least 5 years old
  - ☐ at least 6 years old
  - ☐ at least 7 years old
  
5. Four (4) years old Horses may compete:
  - ☐ in all National Competitions of controlled speed
  - ☐ in low categories of International Competitions
  - ☐ only in categories (40-59km) and (20-39km) of National Competitions
  - ☐ only in category (20-39km) of National Competitions

## QUESTIONS for license

6. An Endurance rider, is entitled to participate in A CEN1\* (100-119 km) if he/she has reached his/her:
- ☐ 12th birthday
  - ☐ 14th birthday
  - ☐ 16th birthday
  - ☐ 18th birthday
7. The field of play is defined as:
- ☐ the defined course, the Vet Gate and the crew points
  - ☐ the defined course and the Vet Gate
  - ☐ the defined course and the crew points
8. At National Endurance Competitions, the Athletes with common stirrups, may put on:
- ☐ any closed-toe shoes
  - ☐ trainers
  - ☐ riding footwear with heels of 12 mm or more
9. At National Endurance Competitions, the Athletes with caged/boxed stirrups, may put on:
- ☐ only trainers
  - ☐ any closed-toed shoes
  - ☐ any shoes
10. At National Endurance Competitions, the Athletes must put on a:
- ☐ protective headgear
  - ☐ 3-point helmet
  - ☐ cap

3. 3 or more
4. Hay
5. Both the above
6. Curry comb, dandy brush and hoof pick
7. Hoof pick
8. To protect and moisten
9. To enable cooling down
10. Lunge rein
11. Every 50 days approximately
12. Saddle cloth
13. Girth
14. Seat
15. Stirrup leather
16. Reins
17. Cheek straps
18. Headpiece
19. The left
20. Travel boots or bandages and head collar
21. All the above
22. Every 12 months
23. Whenever it is considered necessary
24. The Chef d' Equipe of the club
25. the one on the left
26. It is obligatory

# ANSWERS for license

## Answers - Veterinary

1. Under the front part of the saddle
2. on the top edge of the hoof, where the hoof meets the skin
3. on the rear one third of the underside of the hoof
4. twice a day
5. cereals (oats, barley, corn)
6. cereals (oats, barley, corn)
7. anorexia
8. eat nothing until we call the vet
9. we wash the wound with a mild antiseptic and bandage it
10. not continue training and call the vet
11. it must be withdrawn from training and a vet be called
12. daily trimming of the hoofs (hoof pick)

# ANSWERS for license

## Answers - Endurance

1. the Athlete's ability to safely manage the stamina and fitness of the Horse over an endurance course in a Competition against the track, the distance, the climate, the terrain and the clock
2. any member of the Genus Equus
3. no phase may exceed 40 km
4. at least 6 years old
5. only in categories (40-59km) and (20-39km) of National Competitions
6. 14th birthday
7. the defined course, the Vet Gate and the crew points
8. riding footwear with heels of 12 mm or more
9. any closed-toed shoes
10. 3-point helmet
11. Horses may be ridden without shoes, but if shod they must be correctly shod
12. lead or follow their Horse on course
13. the combination must return and re-cross the start line
14. 12 days
15. 64 beats per min (bpm) within 15 min of crossing the end line of each loop except the final loop which is in 20 min of crossing the finish line
16. heart rate recovery, metabolic stability and regular gait
17. that they have successfully completed category (20-39km) and are eligible for category (40-59km) or they have successfully completed category (40-59km) and are eligible for category (60-79km) or they have successfully completed category (60-79km) and are eligible for category (80-99km) or they have successfully completed category (80-99km) and are eligible for category CEN1\*(100-1190km)
18. may be mounted or lead or follow the Horse
19. the stallions
20. with the written approval of the Veterinary Commission
21. 2 persons
