Our plan is to have at least 5 camp in 2019, the other dates TBC. The venue of the camp is Zhitnica, Bulgaria.

Every National Federation is invited to nominate three riders and one coach. To achieve sustainable development the riders and the coach has to confirm they will take part in all camps.

The format of the camp is:

The participants will be separated in two groups – the first will have training sessions, and afternoon theoretical education, the second group the opposite – theory at the mornings and training at the afternoons.

The coaches will work closely with the main trainer Jean-Maurice Bonneau.

“a young Riders Academy” will cover the costs for accommodation of horses and riders and coach. The camps are free for participants and are open for visitors.
